Dear Tara Tootoo Fotheringham,

**Re: Application for the Indigenous Intellectual Property Program Grant**

I am writing to inform you that your proposed project, “Niriqatiginnga: Understanding Indigenous Intellectual Property and Cultural Expressions for Innovation”, has been approved for a grant valued at \$14,985.00 through the Government of Canada’s Indigenous Intellectual Property Program. The committee deemed your proposal to be of excellent quality, and addressing an important topic at this time. We’re pleased to support this project.

**Please let us know if you remain interested in receiving this grant by replying to this email no later than February 12, 2024.** Once we receive your confirmation, we will send you the Funding Agreement for your review. You will need to sign this agreement and complete other administrative forms. Once all paperwork is complete, we will process your payment.

Congratulations for developing such a crucial initiative that supports education and raising awareness about intellectual property among artists, youth, and Elders. We are thrilled to follow the progress of your important work. If you have any questions about the grant or funding agreement, we would be pleased to arrange a meeting at any time.

Best wishes,
